If you have any questions about your audition or are experiencing difficulties booking, get in touch: info@nyt.org.uk

What can I expect on the day?

- Your Acting Company Membership audition will involve a workshop in the morning from 10am – 1pm. This workshop is designed to relieve any nerves and is an opportunity for us to see how you work in a group
- You'll receive an individual time slot in the afternoon, at which you'll return and perform your prepared monologue to the auditioner. After the main workshop there will be at least an hours break for you to go out and get lunch, or bring your own. Once you have finished your audition you are free to leave
- Our audition days can get very busy, so it's good to allow plenty of time to get to the venue
- You will be asked about yourself and your interests, so it's a good idea to have a think about what you like to do in your spare time. This doesn't have to be related to performance. If you are just starting out and have little experience but big dreams then say so!

We are looking for a company who represent the diversity of Britain's Youth. We celebrate individuals and do not discriminate on the basis of ethnicity, gender, sexuality or disability. We do not accept bullying or harassment of any kind.

Can I change the date of my audition or get a refund?

Due to the high volume of young people we meet we are unable to arrange refunds or exchanges on audition slots. If you missed an audition or are no longer able to attend a previously booked audition you are welcome to book an alternative day.

Can I change the time of my audition?

All participants need to attend the three hour morning workshop. During the afternoon each participant is allocated an audition time. Once you have auditioned you are free to go

Unfortunately we cannot change your time once it is booked prior to the audition day itself. If you need to change your audition time you will need to speak to a member of staff on the day who may be able to help if your situation is unavoidable.

What happens after my audition?

Your results will be emailed to you by mid-May.

What happens if I'm successful?

Depending on your age you will be invited to attend one of our acting courses held annually during the summer holidays, which one depends on your age. On completing the summer course you will then be a company member of the National Youth Theatre giving you access to performance opportunities, castings and lots more!

What happens if I'm unsuccessful?

We meet nearly 5,000 young people every year and can only offer around 500 places on the acting courses making the programme highly competitive. However, if you're not successful this

time there are still so many ways to be involved with the organisation. These include our **Masterclass Courses**, offered during academic holidays throughout the year and our **Club Membership** which is the perfect way to gain valuable audition advice. Many of our members auditioned several times before gaining a place, so its important to not give up and peruse other ways you can develop your talent and stay in touch. You may also want to consider our **backstage opportunities** to gain further knowledge in costume, light and sound, scenic construction or stage management.

Bursaries, Fees and funding

If you gain a space on a Membership Course, you will receive a Fundraising Pack with tips and ideas on how you can raise the costs of course fees yourself. Many members have had huge success with this in the past and have enjoyed their fundraising challenge.

It is hugely important to us that applicants are not deterred from getting involved with the National Youth Theatre due to financial restrictions. We have a bursary fund to help those in the greatest need to contribute towards the cost of auditions, membership course fees, accommodation and living costs. Last year we gave over £100,000 worth of bursaries to help applicants and members with course fees, audition fees and living costs. Details on how to apply for this can be found [here](#), and will also be sent to all successful applicants.
